

Description

Hepatica is a fundraising foundation and Sweden Democrats own Party-Affiliated-Organisation. also known as PAO. The purpose of the foundation is to work with democratic development and humanitarian aid-projects.

Hepaticas role is to contribute to strengthen democratic structures and system. The goal of the foundation is to promote cooperation and development based on freedom, democracy, equal rights, and national self-determination. This can be achieved through information and education for political parties and organizations in developing countries.

Hepatica also works with fundraising operations where the funds go to humanitarian efforts such as support to refugees in areas close to the crisis, along with improving fields such as education, health care and environmental protection.

Previous contributions made by Hepatica has been to collect funds for food to refugees in Lebanon, financial help to restore a local pharmacy in Syria, and raise money to help underprivileged seniors as well as families with children in Sweden.

Since the invasion of Ukraine by Russia – Hepatica is contributing with necessary material to Ukrainian refugees near the polish border.
